CONGRATULATIONS!

We take this occasion to congratulate all of our young people who have been graduated from the Rohwer High School last Friday evening. Truly, let us commence to give of our best and serve our God and fellowmen as we launch out into the battle of life. We want to be even more proud of you in the years to come for we have had the privilege of sharing our experiences together here.

Come Tonight

The Y.P.C.F. has planned a most profitable and interesting program. The subject will be "Today, What should the Church Do?". Among the speakers will be Hanae Kakehashi and Mabel Nakamura. Is it the Church's business to minister to individuals and not try to influence society in general? What should we Nisei do in our Community? You'll enjoy this practical discussion hour.

The high school C.Y.F. group will hear our missionary, Miss Anna Bell Williams speak on, "Being a Christian in the World". Popular Sunday School teacher, "Effie" Griswold has a way of making everybody happy that they came. She will preside. You'll want to speak up in the discussion, too.

Jolly songfest will start at 7:30 p.m. for both groups.

Mary and Pvt. George S. Mochizuki for their offering.

Cicily Umezuka, Block 7, to Sunday School.

HOSTELS

Those of you who are contemplating returning to central California will find it helpful to write to the former Jerome pastor, the Rev. Hideo Hashimoto concerning temporary housing. He is directing the hostel which is located in the Japanese Methodist Church, 1260 Kern Street, Fresno, California. Anyone is invited to apply.

In Seattle, a hostel has been opened under the sponsorship of the Council of Churches at the Japanese Baptist Church parsonage. Write to the Rev. Harold V. Jensen, First Baptist Church Seattle, Washington.

Robert and Margaret Blood will arrive in Seattle on July 25, 1945 and will be at 3959 15th Avenue, N.E., and says, "We will appreciate any evacuees looking us up at this address."

We are pleased to hear: "Bob graduates from Yale Divinity School the end of May. Then we shall have a longer trip to take this summer than we did last summer in coming to Arkansas ...for this summer we are headed for Seattle. Bob has accepted the position of executive secretary of the Friends Center... This has been a year full of joy and hard work for us both... Give our warmest greetings to all who remember us." 1400 Whitney Avenue, Hamden 14, Connecticut.

Personals

Among those leaving on the special train this week will be Bean Takeda who is returning to Los Angeles; Teiko Asaki and the family; the Ishimaru, Mikami and Morita families. To these and all other friends and members of our church who are resettling on the outside, we say, "Grow in your Christian life. Let us pray for each other. Thank you for all you've done here. We hope to meet again."

Pvt. Henry Ikemoto writes from northern Italy: "The Lord is really good. I am enjoying all of my trips since I got into the service seeing things and experiencing things I would never have had otherwise. I visited Florence and the cathedral there...But above all, the opportunities to speak for Him... How's the church coming along?...Greetings to the church." ASN 38633535, 390th Repl.
